

The Village Amble Hermanus (VAH) is an initiative started by the Whale Coast Business & Community Forum CBD Cluster Group which works closely with various stakeholders including Overstrand Municipality, the Forum Arts & Events Cluster, Whale Coast Tourism, property owners, major local hotels, and local businesses. The goal of the VAH is to encourage people to explore the lesser-known streets of Hermanus, and to recreate the charm and ambience of the famous Parisian district Montmartre, with its cobbled streets, artists' studios, and bistros with patrons spilling out onto the pavements. Pick a starting point anywhere on the map and then amble your way around town, taking in the beautiful murals by local artists as well as everything that Hermanus has to offer. **Tag photos with #villageamblehermanus #VAH**
